We are pleased to report another great season. Congratulations to all of the "braggers" above! In addition to all of the efforts and fish caught this summer, good times were had by all. Our new Children's Program Director offered crafts, fishing derbies, fun and games; Cami had everyone busy! Part of the adventure of outdoor fun and enjoying the summer includes the weather. Thanks to everyone who stuck with us through the big storm in July. We even managed to have our potluck supper! We are especially thankful for the safe arrival in June of our precious new granddaughter, Shaienne. We are so happy to have another grandchild – this makes five!

To everyone, thank you and have a safe and happy holiday season and hope to see or hear from you again in the spring!
